

## A dream that came true...

### We built with Habitat

We built with Habitat; Someone  
said "What's that?"  
I answered true; It's just for you;  
A way to meet a need, and do a  
Christian deed;  
To boost those in town without  
much money around;  
To help them build their place for  
love and smiles on their faces;  
So join in my friend  
Join in don't pretend  
It's Habitat for Humanity;  
a rarity in charity  
Joyful work a certainty  
Nailed tight our warranty.
